Extracurricular Activities

The O'Bryant Tiger Zone

Objective: The John D. O'Bryant School of Mathematics and Science partnered with Scholar Athletes (SA) many years ago in an effort to address the academic achievements of our athletes. The BSA Tiger Zone provides the following programs {BSA OB Programs}:

- Academic Coaching and Counseling
- College Readiness Initiative
- Intramural Sports
- Athletic and Academic Recognition
- Athletes Capacity Building

Advisors: Ms. Saltzberg, PSaltzberg@WeAreSA.org

When: 1:45p.m. - 4:00p.m.

Where: 3-B59

The Scholar Athlete (SA) provides regular instruction to the coaching staff to ensure they are properly trained both in their sport and more importantly in the philosophy that a coach is a mentor. In the classroom, the SA strives to improve academic performance and personal growth through mentoring, tutoring, summer job placement assistance, and our College Readiness Initiative (CRI). These collaborative efforts build skills, confidence, shape character, and enhance opportunities for success.

The SA staffs, operates, and funds the Tiger Zone, a school-based learning center for scholar-athletes to receive academic support located in the basement (room 3B99). Scholar-athletes who are struggling

academically are paired with tutors; scholar-athletes who are excelling academically engage in our peer-to-peer tutoring program; scholar-athletes who are aspiring to attend college participate in our CRI program; and all scholar-athletes have access to the latest technology, school materials, and textbooks. They are surrounded by an environment that promotes sustainability and a mindset for academic excellence.

In addition to our trained SA staff, the Tiger Zone provides the following amenities:

- Access to academic assistance through peer and outside tutoring and mentoring services
- Work stations equipped with computers and internet access, Nooks and flash drives
- Monthly forums on important issues facing high school students
- Improved relationships and strengthened camaraderie with teammates
- Support for ineligible athletes to improve academic standing
- Encouragement for incoming Freshmen to become involved with athletics
- College Road Maps and handouts to provide more information to our scholar-athletes
