

tech goes home

TGH strives to ensure that all residents of the City of Boston are equipped with the tools, training, and access to support 21st century skill development. In addition, TGH provides opportunities for all residents to connect to schools, community programs and assets, government agencies, and each other. The TGH program offers residents the ability to improve their quality of life as new members of the online community. After completion of the program, graduates have the option of purchasing the below computer for \$50.
